1 MR. WAITE: Well, I'm, again my name is Mark  
2 Waite, M-A-R-K, W-A-I-T-E. And I'm a reporter for the  
3 "Pahrump Valley View". It's one of the Community View  
4 newspapers published by the "Review Journal."

5 I just wanted you all to know about our  
6 publication, because we weren't informed on any of the  
7 public hearings scheduled by the DOE. I don't know  
8 why. I called last week, I was referred to a Gayle  
9 Fisher. She never got back to me. And then Thursday,  
10 or Friday, after our edition came out, I was informed  
11 the hearing had been rescheduled a second time.

12 I think just for your information, you might  
13 want to know that for the residents here, we don't have  
14 the luxury of a daily newspaper. We have our edition,  
15 which is mailed to every home in Pahrump Valley, which  
16 is about 16,000 homes, and were mailed out and they get  
17 their paper on Friday. The other publication here is  
18 the "Pahrump Valley Times." They're published on  
19 Wednesday and Friday.

20 So I guess the only thing that I was  
21 concerned about was the fact that we told everybody  
22 that it was rescheduled for today, and then we didn't

23 get enough notice to tell them that it's now been

550956

24 scheduled the second time. So we would appreciate a

25 little better notice. I talked to Gayle Fisher this

0003

1 morning, and she said, she assured me I was going to be

2 put on the mailing list. I gave her all the numbers

3 that she needed, fax, e-mail, postal address, and so

4 forth. So she said that she gave me the impression

5 there was someone else that she had to hand the

6 information to, so just to be sure, I have just handed

7 out my cards here to every one of you. Just please

8 keep us in mind, and also please try to give us a

9 little more notice, you know, just being aware that we

10 don't have a daily newspaper here. And it is, Pahrump

11 is growing quite a bit, it has 25,000 people in the

12 census now, and some people say that's too low. So I

13 will sure they'd like to know, and the Amargosa Valley

14 residents.
